WINTER HAF

We would like to make you aware of the holiday Free School Meal (FSM) voucher scheme that Gloucestershire County Council is currently offering to families in Gloucestershire.

Applications for holiday FSM vouchers for **February 2024 Half-Term** will be open from **midday 16 January until midday on 30 January**. Voucher emails will be sent from week commencing **5 February**. Please check your junk/spam folders during this period as sometimes the vouchers end up there.

If you have not received your voucher by 7 February, please email childrensfund@gloucestershire.gov.uk.

This winter holiday period, Gloucestershire County Council will provide families in receipt of Free School Meals, who sign up to this offer, with vouchers to assist with food costs during the

school holidays. The vouchers are funded through grant funding we have received, and they are separate to that of term time free school meals.

The scheme is for children in reception to year 11 who receive Pupil Premium (benefits-related) free school meals and attend a school in Gloucestershire. We are unable to consider college and sixth form students, nor children who receive infant free school meals (available to all children from reception to year 2) - they are not eligible for this scheme.

Families who have signed up to the scheme or who are already registered will receive a total of £15 per child.

To find out more about the scheme and to apply, visit our [FAQs | Gloucestershire County Council](#)

Families who have signed up previously do not need to re-register for February 2024 holiday vouchers

WINTER WATER SAFETY

[Winter Water Safety](#) - In winter, more people who are walking or running alongside water fall in and drown than in any other season. Gloucestershire Fire & Rescue Service is asking for your help to share these important lifesaving messages with children and families. When walking alongside water keep back from the edge. Keep dogs on their leads when near ice and don't throw sticks or toys onto the ice.

Enjoying time outdoors during the winter - time your walks to make the most of the daylight; if you need to walk in the evening only use well-lit areas or take a route which is not alongside water

Please talk to your children about not going onto icy ponds, rivers or canals under any circumstances. Royal Life Saving Society water safety leaflet: [Download.ashx \(rlss.org.uk\)](#)

SAFER INTERNET WEEK

Safer Internet Day is on 6th February. We will be having a range of activities in computing and in worship.

Safer Internet Day is a great opportunity to focus on online safety with your child, whatever their age. This year's theme is all about change and influence online and we have created a range of pages to help you talk about these issues and ideas with your child, no matter how much time you have and in an age-appropriate way.

Safer Internet Day 2024 is celebrated on 6th February 2024, with thousands of people across the UK working together to champion youth voice and engage in conversations about how we can all work together to make the internet a great and safe place.

Here is the **link** to the next issue of [Families Gloucestershire Magazine Jan/Feb 2024](#)

The **Jan/Feb 2024** issue is packed full of useful information for parents including:

- How to make pancakes downloadable
- The importance of art in curriculum
- Best new books for kids around the world
- Helping your child with spelling
- And much more.....
