starts next week

Dates for this term

Education Sunday

11am 17th September

BBQ/farmers' market

5:30pm 22nd September

Swimming starts Friday

22nd September

Welcome Back and Thank You!

The children seem to have grown so much over the holiday and they have returned to school full of tales of their adventures over the summer. It is lovely to see their enthusiasm for the new school year. The teachers have been working hard preparing exciting learning opportunities within the new topics for the term. Thank you particularly to the Ritchings, Canestra and Spring families for their help with our outside area.

PE and Swimming

Our PE day is still on Fridays with Mr Peters. Breakfast club starts this week and the after school sessions will begin next week. Please pay Up and Under directly for the after school session. Remember Oaks children should arrive dressed in their PE kit which they can wear all day. Acorns need to bring their kit and change in school. Swimming is now on a Friday afternoon, with the first session on Friday 22nd September. The children can look forward to a longer time in the water as we have booked the pool for a double session this year. You will receive a letter shortly with details of arrangements and contributions.

Uniform

I am sure you will agree that the children look fabulous in their new uniform. They arrived at school looking smart and proud to be part of the school. I am hugely grateful for your support and patience in making this a success.

BBQ and Farmers' Market

Our BBQ and market is planned for Friday 22nd September. Do you know any local producers who might like to pay £10 for a stall? I am sure some of the children would be happy to help out with the selling! We really wanted this to grow into a celebration of the beginning of the year so do let me know if you have any ideas.

Education Sunday

Education Sunday is at 11am on Sunday 17th September. Children will be invited to take part so please put the date in your diary and come along and support the school if you are able.

Bibury Acorns

From September we are offering 3 afternoons a week for children from 3 years old in their pre-school year. Please get in touch if you would like more information. There is also a toddlers' session planned one morning a week in the village hall. Nobody has yet contacted us so please spread the word!

Music!

Music lessons start next week. Acorns children will be learning the violin or cello and Oaks will be learning the ukulele. I can't wait to hear how they get on!

School Angel

Don't forget that you can help raise money for the school when you shop online.
