## ATTENDANCE – SCHOOL DAYS MISSED

Attendance in school is key to our children's learning. Since September 2025 there have been 388 morning or afternoon sessions missed. This is equivalent to 194 days of education. We have 20 children in school so the attendance average per child this year is 9 days of lost learning each. Please ensure that your child attends school. For more information regarding Term Time absence, please visit our Pupil Attendance and Absence Policy on our website: [Bibury Church of England Primary School - Policies](#)

We are excited to introduce our attendance initiative called H.E.R.O., which stands for **Here Everyday, Ready and On Time!**

H.E.R.O. is designed to encourage and celebrate good attendance habits that help students succeed.

Being at school every day, on time and prepared, makes a huge difference in your child's learning and overall success.

Through H.E.R.O. we will be recognising students who consistently arrive on time and are ready to learn.

## WAYS TO SUPPORT YOUR CHILDREN AT HOME.

We want to support parents and children to feel confident in using technology safely. Here are our weekly e-safety tips for Online bullying.

 **Ways to Support Your Child at Home**

- Talk openly about kindness online** – Discuss how words, images, or videos shared online can affect others, even if they seem like a joke.
- Encourage empathy** – Ask your child how they think someone might feel if they were left out, teased, or targeted online.
- Explain what bullying is** – Make sure your child knows that bullying is repeated, intentional, and hurtful behaviour, and that anyone who experiences it is not to blame.
- Model respectful behaviour** – Show how you interact positively online and explain why treating others with respect matters.
- Teach safe responses** – Encourage your child not to reply to bullying messages and to block or mute abusive accounts if needed.
- Show them where to get help** – Remind children they can always talk to you or another trusted adult. Share support services such as Childline and The Mix and explain that reporting bullying is a positive step.
- Practise evidence-keeping with older children** – Talk about how to take screenshots or save messages if bullying happens, so they can share it with you, their school, or another trusted adult.
