HOLIDAY FREE SCHOOL MEAL SCHEME

For the May/June half term, Gloucestershire County Council (GCC) is providing vouchers to eligible families who have signed up to our Holiday Free School Meals (FSM) scheme. These vouchers are provided by GCC as part of our commitment to 'no child goes hungry'. The vouchers are funded through grant funding we have received and is separate to that of term time free school meals.

The scheme is for children in reception to year 11 who receive benefits-related free school meals and attend a school in Gloucestershire. **We are unable to consider college and sixth form students as well as children who receive infant free school meals (available to all children in reception to year 2); they are not eligible for this scheme.**

Families who have signed up to the scheme or who are already registered will receive a total of £15 per child.

Parents who have signed up previously do not need to re-register - you will already have been included. To ensure we reach all those who are eligible, we are encouraging parents that have not previously signed up, to sign up as soon as they can.

If you have any updates to an existing application, please email childrensfund@gloucestershire.gov.uk so that we can update your details, as this is not an automatic process.

Applications for Holiday Free School Meal vouchers for the May/June half term are now open until midday 16 May. Voucher emails will be sent out on 22 May. Please encourage parents to check their junk/spam email folders during this period as sometimes the vouchers end up there. If parents have not received their vouchers by the 23 May, please encourage them to email childrensfund@gloucestershire.gov.uk.

Please note we check eligibility for the scheme by cross-referencing with the term-time free school meal register, so please make sure parents are registered beforehand. They can register by [visiting our free school meals page](#). If your school is one of the five that do not use this method, we will require confirmation from yourselves on the child's eligibility. You can find more information on what schools these are on the same link.

Using vouchers - vouchers need to be used will only be awarded once the parent has registered for the scheme and cannot be backdated. Vouchers are valid for 6 months, although should be used in the holiday period in which they are awarded. If vouchers are not claimed and have expired they cannot be re-issued. Vouchers not received should be queried via email to childrensfund@gloucestershire.gov.uk by the end of the holiday period.

For more information and to sign up, please visit our website - [Holiday School Meal vouchers](#).
