Mathletics Champions - well done!

Maths Skills

After the summer break it is common for children to suffer some loss in maths skills. In order to help your child regain lost skills please ensure that you check your child's KIRFs for this term and practise these. For children in Year 2 and above, times tables should be practised as well as spending time on Mathletics each week. We will be conducting a Parent's Information Evening about how to support your child in maths later this year and so keep a look out for this. Class teachers can be contacted with specific questions about maths skills this term.

POP-Up Tea

On Monday after school there will be another pop-up tea at the church. Please support it if you are able. The cake is always delicious. To help parents managing budgets, all proceeds are going to support our residential trip next year!

Missed Swimming Lesson 13th September

The Leisure Centre will make up this lesson on Tuesday 18th October, just before the mid-term break.

Swimming Kit

We have been advised by the Leisure Centre that girls must wear a one-piece swimming costume, not a two-piece or bikini. All children, boys and girls, must wear swimming hats/caps when in the water. Please ensure that the children have all the correct kit for next Tuesday.

Uniform Policy

Please be reminded that jewellery, nail polish and make-up are not appropriate for school. Children with pierced ears may wear simple studs for safety.

Thank You - Harvest Festival

A big thank you to all the parents for your generous donations for the Food Bank, collected at the Harvest Festival last Friday. We were very proud of the contribution that the school made to the Food Bank.

Ragbag Bin

A reminder from the PTA about the Ragbag Bin up at the Bibury Football Club. Please drop in any clothes, shoes and bags that you no longer need - this brings in some useful extra funds for the PTA.
