New Playground!

"When we came back from our
holiday, most of our playground had
changed! Plants and leaves were
removed and they got rid of one of
our climbing frames. They replaced
it with a pergola and then on
Thursday they added a roof and
bunting. Underneath there are
benches and AstroTurf. We also
got a brand new climbing wall and
rubber. We have a new patio where
the quiet area used to be". Evie
