IS ROBLOX SAFE FOR MY CHILD - NSPCC

Roblox is a gaming platform where players can create and publish their own games. The platform can be a great educational tool to help teach children new skills like coding. However, there are also some risks.

Roblox allows players to build and publish their own games. This means that other users could build games that contain adult or inappropriate themes that your child might see.

Players can use the communication features of Roblox to talk to one other while they are playing. This means that there is a risk of cyberbullying or unwanted contact.

Please see the below link for more information and guidance on how to keep your child safe.

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/online-safety-blog/roblox/>

CRAFT CLUB

Please book a place with the school office.

CRAFT CLUB

WITH MRS BUSE

Mondays

3.15 - 4.15pm

Free of charge

Covering a wide and varied range of craft activities.

NON-SCHOOL UNIFORM

In light of the recent news about the earthquake in Turkey and Syria, our school council have decided to raise money to support those who were impacted. We have chosen to host a non-school uniform day on Friday 17th February. Please can children come into school wearing the colours of the Turkish or Syrian flag (red, white, green or/and black).

We will be setting up a ParentPay for donations towards the British Red Cross emergency appeal. Please find a link below if you would like more information on this.

<https://donate.redcross.org.uk/appeal/turkey-syria-earthquake-appeal>

We look forward to seeing children in their colourful outfits next Friday!
